BRAMPTON CUP 2020

Dear Boxing Ontario Clubs and Coaches,

We thank you once again for your availability and your dedication to commit in this very important event. With multiple provinces competing and over 400 athlete entries, you are making history at Brampton Cup 2020. Please be sure to take your time to read through the information supplied and attend the Mandatory Coaches Meetings (see schedule)

You will find in this Handbook all the necessary information regarding the competition and the related logistics.

We wish you good luck in your participation and are looking forward to seeing you at Brampton Cup.

Boxing Ontario, Sport Development

TOURNAMENT AGREEMENT: Any boxer, coach or official participating in the tournament acknowledges that they are registered with Boxing Ontario for 2020. You will be required to show proof of registration at any time throughout the course of the tournament via boxer/official passports and coaches cards. (It's recommended that you keep your registration number on your person at all times)

Every Boxer must disclose all prior bout experience, including bouts or matches in other combative sports; failure to do so will result in sanctions against the boxer, the boxer's current club and/or the boxer's coach.

OUT OF PROVINCE/INTERNATIONAL BOXERS:

- Association must hold at least \$2,000,000 CDN liability coverage within Canada
- Sport accident coverage is preferred.
- Policy should not have any territorial restrictions. It's usually not a problem for us in Canada, but increasingly I'm seeing coverage restricted in "Canada and the U.S." Most policies have U.S. restrictions only.
